

REOPENING APPLICATION (100% EMGS APPLICATION - CLOSED)

We have noticed that there have been some EMGS application changes for those who have obtained the EMGS Approval Letters, as the applications started to display “**100% EMGS APPLICATION – CLOSED**” in the past months.

Do Not Worry!

The notification of the EMGS status application is closed due to **the non-submission** of the **DECLARATION OF ACCOMMODATION** and **ONLINE CLASSES**.

Those students facing these status changes and are willing to enter Malaysia within the next 6 months are allowed to request for the **REOPENING** of their application from the International Student Services Unit (ISSU), AASC Universiti Malaya by emailing iss_aasc@um.edu.my and cc to hayati.azizulrahman@um.edu.my.

Please complete the following steps:

STEP 1 - Apply for the Declaration of Accommodation by accessing <https://forms.gle/VEwP5UsE4u3WEBu39>.

STEP 2 - Once you have completed step 1, proceed to the Declaration of Online Classes at <https://forms.gle/7zzKLkJ7qedinTeM9>.

STEP 3 - Proceed to complete the Declaration of Health Declaration [Form](#).

Please proceed with the declaration form if you are ready and willing to enter Malaysia within the validity period of the issued e-VAL (6 months). Once the e-VAL is approved, students **MUST** enter Malaysia **within 6 months** to complete the procedure of the student pass endorsement process through (UM).

However, we would like to inform you that the entry for all dependents is still on hold until further notice.

We sincerely hope that this clarification can help you to arrange your travel plans accordingly.

Stay Safe & Healthy.
